

**The
Priority
Center**
Ending the Cycle of
Generational Trauma

Jeff Shepard

Alex Musetti

The Priority Center Welcomes New Board Members

Hughes Marino executives Jeff Shepard, senior vice president, and Alex Musetti, vice president, have joined the Board of Directors for The Priority Center. Shepard and Musetti's extensive commercial real estate experience complements the board's diverse group of Orange County leaders in business, law, philanthropy and finance. Shepard is an authority on commercial leasing, acquisitions, contract negotiations and build-to-suit projects. Musetti provides expert real estate advisory services for all phases of tenant representation.

The Priority Center's mission is to deliver life-changing programs that provide individuals, families and children with the tools and support to end the generational cycle of trauma and abuse. Programs range from in-home visitations for infants and toddlers to crisis stabilization of children and adults experiencing a mental health crisis including suicidal or homicidal thoughts.
