BENEFITING

The Priority Center

The Priority Center has been serving vulnerable children, families and adults for the past 40 years. Our mission is to deliver life-changing programs to assist people in crisis by giving them the tools and support necessary to end the generational cycle of trauma - including the prevention of child abuse and neglect, through early intervention and mental health services and advocacy.

On November 3, 2023, The Priority Center will be hosting our annual Women of Priority Luncheon - Tablescapes. Held at the VEA Newport Beach, a Marriott Resort & Spa, this event will showcase tabletop designs by local creatives, a silent auction, shopping boutique and an introduction to the work of The Priority Center all while celebrating our 40th Anniversary!
